

Pressure Washing Service Agreement

Non-stormwater discharges to the storm drainage system are illegal. Both property owner and contractor are responsible for complying. This service agreement is a voluntary tool to ensure that contracted cleaning companies use responsible methods in their cleaning and disposal methods in order to comply with all local regulations. This agreement should be filled out prior to commencement of work, and both parties should retain copies.

Contractor: Name of Company	Address	City	Phone	Contact

The above contractor agrees to follow all necessary practices **to ensure compliance with local stormwater regulations** at the following address:

Business: _____ Address: _____ Date of service: _____

Check all boxes that apply
